

DECOPATCH

For decoupage and paper crafts

Decopatch paper is ultra thin, super strong and flexible, so it can be applied seamlessly to any shape or surface. It goes on smoothly, so there is never a seam or bubble.

Decopatch paper is deep dyed to create a real paint effect. Colorfast technology ensures colors never fade or run.

Papers - Full Sheets

- Sold in packs of 20 sheets or pack of 3 sheets

Description	Reference	Case Pack
