The story begins in 1993 in a small garage right in the heart of Lyon, France : an old-style wardrobe was covered in dust until the owner wanted to renovate it by gluing colored paper. The idea was born!

A sheet of Décopatch paper incredibly fine and resistant, a little of glue, a brush and that's all you need ! A fun way to give another life to dated objects, damaged or faded. Bursting with imagination, the Décopatch team follows closely the actual trends and invents the styles of tomorrow!
